

“There is a boy here who has five barley loaves and two fish. But what are they among so many people...”

“We have updated our estate plan multiple times over the past 20 years. But we never thought about including the ministries we support in the plan until we talked to the staff at the Nazarene Foundation. They helped us set up a Personal Giving Fund with our appreciated assets. What a blessing our Giving Fund is to our family and others.”

CHURCH OF THE NAZARENE FOUNDATION

Model Generosity

Leave a Lasting Legacy

Just like the boy with the loaves and fish gave what he had to Jesus, we must answer two difficult questions if we are to be good stewards of the resources which Christ entrusts to us:

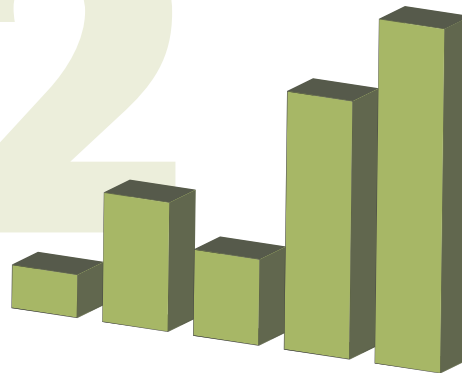

–Where should I give?

–How should I give?

Your personal Giving Fund (donor-advised fund or private foundation) with the The Nazarene Foundation will help you maximize your giving potential and enable you to use your cash and non-cash assets for the Kingdom.

3 Easy steps to create a Giving Fund!

1. Open your Personal Giving Fund with a gift of cash, stock, real estate, or any other appreciated asset, like a business, property, or livestock. You'll receive an immediate tax deduction for your gift.
2. Choose an investment model and watch your giving fund grow tax-free.
3. Send grants to your church, missions, and your favorite ministries. We handle writing the checks and all the paperwork.

Select Your Investment Model

Now, all your giving comes from one simple place.

As you Model Generosity with your family, you pass on God's values to the next generation.
