

Support your church through planned giving:

Not all gifts fit in the offering plate

**Did you know that you can support your church
in more ways than just a weekly tithe?**

In fact, there are many ways to bless the work of our church that provide tax savings and make sense for your financial situation! Here are just a few ways that you can give:

- Non-cash gift (real estate, livestock, or grain)
- Bequest in your will
- Gift of stock

You can also create an endowment (provides funding for ministry in perpetuity) or open a Charitable Gift Annuity (gives lifetime income to you before benefitting ministry).

Thank you for considering a gift to our church!
